

Avishek Hazrachoudhury

Portfolio Manager
Fidelity Investments

Avishek Hazrachoudhury is a portfolio manager in the Global Asset Allocation division at Fidelity Investments. Fidelity Investments is a leading provider of investment management, retirement planning, portfolio guidance, brokerage, benefits outsourcing, and other financial products and services to institutions, financial intermediaries, and individuals. GAA is an investment team within Fidelity's Asset Management Solutions division, an investment organization that provides industry-leading multi-asset solutions to the retail and institutional marketplace.

Prior to assuming his current role, Avishek worked closely with the portfolio management team for both the Asset Manager funds and the Canadian Asset Allocation funds. He was responsible for active asset allocation research and provided quantitative research and analysis to support investment decision-making, including portfolio construction and risk management. Prior to joining Fidelity, Avishek served as vice president of quantitative research at AllianceBernstein and as a quantitative research associate at Neuberger Berman. He also was a quantitative research associate at Merrill Lynch. Avishek joined Fidelity in 2013 and has been in the financial industry since 2006.

Avishek earned his Bachelor of Arts from Cornell University and his Master of Business Administration from University of Chicago.
