

Michael Hagopian

Institutional Portfolio Manager, Systematic Equity Strategies
Fidelity Investments

Michael Hagopian is an institutional portfolio manager for Systematic Equity Strategies in the Quantitative Research and Investments division at Fidelity Investments. Fidelity Investments is a leading provider of investment management, retirement planning, portfolio guidance, brokerage, benefits outsourcing, and other financial products and services to institutions, financial intermediaries, and individuals. QRI supports our investors with timely and actionable insights, manages systematic products and solutions, and enables scale through adoption of common platforms.

In this role, Michael is responsible for representing the systematic equity strategies investment team's active equity and custom tax managed solutions, as well as delivering investment content and thought leadership in the marketplace. Michael works on the Systematic Equity Strategies team. The Systematic Equity team designs and manages a set of investment strategies, harnessing fundamental insights, Fidelity's proprietary data, rigorous economic theory, and statistical methods.

Prior to assuming his current role, Michael was an institutional portfolio manager at Geode Capital Management since 2018. Before joining Geode, Michael was a client portfolio manager at Cornerstone Capital Management within their Global Systematic Equity team. In this role, he worked alongside clients and consultants as an integral part of the investment team, conducting portfolio reviews, providing portfolio analysis, and communicating new product ideas. Previously, Michael held a similar role as a portfolio strategist within State Street Global Advisors Active Quantitative Equity team. Prior to that, Michael was an analyst within the global relationship management team at Wellington Management Company, LLC. Michael joined Fidelity in 2018 and has been in the financial industry since 2003.

Michael earned his Bachelor of Science from Stonehill College and his Master of Business Administration from Northeastern University.
