Carrie Murphy

Trader
Fidelity Investments

Carrie Murphy is a trader in the Fixed Income division at Fidelity Investments. Fidelity Investments is a leading provider of investment management, retirement planning, portfolio guidance, brokerage, benefits outsourcing, and other financial products and services to institutions, financial intermediaries, and individuals.

In this role, Carrie is responsible for trading Canadian dollar-denominated bonds and derivatives.

Prior to assuming her current role, Carrie worked as a director of portfolio services in Fixed Income. Previously, she managed a team of data analysts in Fidelity's Hong Kong office and was a senior manager in the Data Management Services group. She joined Fidelity as a fund account analyst within Fidelity Pricing and Cash Management Services (FPCMS). Carrie has been in the financial industry since joining Fidelity in 2001.

Carrie earned her Bachelor of Science in Business Administration from University of New Hampshire and her Master of Business Administration from Boston University.
