

Michael Curtis

Head of Alternative Credit
Fidelity Investments

Michael Curtis is head of Alternative Credit in the High Income and Alternatives division at Fidelity Investments. Fidelity Investments is a leading provider of investment management, retirement planning, portfolio guidance, brokerage, benefits outsourcing, and other financial products and services to institutions, financial intermediaries, and individuals.

In this role, Michael is responsible for developing a broad set of capabilities across alternative credit. He joined Fidelity International in March 2021, bringing a team of 10 people, a long-term loan track record, and CLO AUM. Michael has over 25 years of experience in the credit markets as a credit portfolio manager and investor across strategies including syndicated loans, high yield bonds, direct lending, structured credit, and real estate.

Prior to assuming his current role, Michael was chief investment officer at MeDirect Bank and managing director at Intermediate Capital Group (ICG) among holding several other prior roles. Michael joined Fidelity in 2018 and has been in the financial industry since 1999.

Michael earned his Bachelor of Science from University College in London.
