Paul Kearns

Director, Product Manager
Fidelity Investments

Paul Kearns is director, product manager for FundsNetwork and Wealth Advisor Solutions at Fidelity Institutional® (FI). Fidelity Institutional is a division of Fidelity Investments that offers investment insights, strategies, and solutions, as well as trading services to a wide range of wealth management firms and institutional investors. Fidelity Investments is a leading provider of investment management, retirement planning, portfolio guidance, brokerage, benefits outsourcing, and other financial products and services to institutions, financial intermediaries, and individuals.

In this role, Mr. Kearns is responsible for developing business strategies and managing cross-functional initiatives for the FundsNetwork product area, which includes working with Fidelity distribution channel partners and third-party asset managers to deliver the industry's best asset manager platform across the three primary value pillars: access, data and visibility.

Prior to joining Fidelity, Mr. Kearns held various roles in the information technology industry where he was responsible for the strategy and roadmap of applications and web experiences while overseeing the execution of design, development, and testing. He has been in the financial services industry since joining Fidelity in 2023.

Mr. Kearns earned his bachelor of science degree in business administration from Boston University.
